Be the catalyst

Fidelity Hong Kong Student Innovation Challenge 2016-2017

You are cordially invited to take part in the 2016-17 Hong Kong Student Innovation Challenge organized by Fidelity International.

You will be working on an interesting business case which requires your innovation and new ideas. You will have a chance to articulate current business trends within the financial industry and creatively use concepts of new technologies to develop winning strategies that can be implemented in solving real issues and challenges.

Why You Should Join

- **Summer Internship.** Unlike working in a traditional internship, you will take on innovative projects as a leader who helps to drive and design solutions to real-life business challenges.
- **Exposure & Experience.** Gain rare & valuable experience to make your CV pop by joining this challenge and engaging with us
- **Rewards.** Along with summer internship opportunities, winning teams will be awarded attractive prizes.
- **Challenge Yourself.** Inspire us and push your potential to the next level.

Who We Are

Fidelity International offers world class investment solutions and retirement expertise. As a privately owned, independent company, investment is our only business. We are driven by the needs of our clients, not by shareholders. Our vision is to deliver innovative client solutions for a better future.

Established in 1969 as the international arm of Fidelity Investments, which was founded in Boston in 1946, Fidelity International became independent of the US organization in 1980, and is today owned mainly by management and members of the original founding family.
