2018年Samsung Solve for Tomorrow以「不同想像，連繫『童』一星空」為主題，鼓勵香港學生透過科技，設計出能協助有特殊教育需要（SEN）學童及其身邊人解決問題及需要的工具，助SEN學童盡展所長，讓他們與身邊人建立更緊密連繫。

Under the theme "Imagination that Connects the World", Samsung Solve for Tomorrow 2018 calls for all Hong Kong students to develop innovative solutions or tools to address the needs of students with Special Education Needs (SEN), as well as the people surrounding them, to create a more inclusive community for SEN students through the creative use of technology.

參賽資格 Eligibility

比賽歡迎香港小學、中學及大專生，以隊制方式參賽，每隊3至5名同校學生。

The competition welcomes entries from all university, college, secondary and primary schools students. Each team must be comprised of three to five student from the same schools.
