WHAT IS CSR CHALLENGE?

CSR Challenge, organised by **Hong Kong Federation of Business Students (HKFBS)**, is one of the first business competitions in Hong Kong to address the issues of **Corporate Social Responsibility**, an emerging trend that has a significant game changing role in the business world.

Stepping into its fourth year of development, the theme for this year is "**People Engagement: The Millennial Way**", putting focus on one of the current trends, employee investment. We expect students to use their fresh minds to enhance staff involvement of a company, so as to emphasize the importance of employees to companies.
