

Morgan Stanley

Code to Give Hackathon Invitation

August 22 – 26, 2024

Technology enthusiasts and software developers, it's time to make a difference.

Deploy your skills and collaborate with innovators from Morgan Stanley to give back, win prizes and network with technologists from our Hong Kong and Singapore offices.

Join Morgan Stanley Code to Give Hackathon — a hybrid competition to build creative technology solutions for a nonprofit partner. You will work in teams to solve a technical challenge for our partner.

Helping a local nonprofit in their digitalization journey.

Who?

We're seeking technologists and STEM students in Hong Kong and Singapore who are skilled in programming and passionate about leveraging the power of technology for social good. Ready, set, code!

When?

The hackathon will take place over the course of 4 days virtually, kicking off on August 22. And then, on Monday, August 26 we will invite you into our local offices to present your solutions to our judges and celebrate your hard work!
