Part B – Preliminary Proposal

1. Please indicate the corruption-related problem that your proposal aims to address. Your team may select from one of the four following topics, or counter-propose another topic as deemed appropriate.

☐ Strengthening the integrity of **public procurement** processes
☐ Safeguarding **sports** from corruption
☐ Strengthening the **finance and insurance sectors**' resilience to corruption
☐ Enhancing the integrity in **infrastructure projects**
☐ Others *(please specify)*: _____
_____

2. Please provide a summary of your preliminary proposal (not more than 600 words), covering the corruption-related problem(s), your idea/solution to address such problem(s), the technologies to be applied, and the intended outcomes/benefits of your idea/solution.
