

**Bachelor of Business Administration in Accounting and Finance [BBA(Acc&Fin)] Curriculum Requirements (Total: 240 credits)**  
*(Please refer to the BBA(Acc&Fin) Degree Syllabus of the 2021-2022 intake for details.)*

**1. UG5 Requirements (9 courses; 54 credits)**

(a) Language Courses (3 courses; 18 credits): (i) CAES1000 Core University English + (ii) CAES9920 Academic Communication for Business and Economics + (iii) CBBA9001 Practical Chinese for BBA/BBA(Acc&Fin) Students

- CAES1000 Core University English (CUE) is a compulsory course for all undergraduate students. Students must enrol in CAES1000 in either Semester 1 or 2 of Year 1 unless exemption or advanced standing has been granted. Students who have achieved Level 5 or above in English Language in HKDSE, or equivalent, are exempted from the CUE requirement, and CAES1000 is optional. Those who do not take CAES1000 should take a free elective course in lieu.

Students who have achieved Level 5 or above in HKDSE English Language are automatically exempted from the CUE requirement. Those who have attained the equivalencies to Level 5 or above in HKDSE English Language are also eligible to apply for exemption from the CUE requirement. To apply for exemption from the CUE requirement, students should complete the online application form at the HKU Business School (the School) website (<https://ug.fbe.hku.hk/support-and-development/useful-info/downloadable-forms>) by the deadline. Students with Level 3 or Level 4 in HKDSE English Language are NOT allowed to use any of the equivalent standards to get exempted from CAES1000.

- Putonghua-speaking candidates must take CUND9002 Practical Chinese and Hong Kong Society or CUND9003 Cantonese for Non-Cantonese Speaking Students (instead of CBBA9001 Practical Chinese for BBA/BBA(Acc&Fin) Students). Students who have not studied the Chinese language during their secondary education or who have not attained the requisite level of competence in the Chinese language to take CBBA9001 should apply for exemption from the Chinese language requirement and take a 6-credit Cantonese or Putonghua language course offered by the School of Chinese especially for international and exchange students, or take a free elective course, in lieu of CBBA9001. To apply for exemption from the Chinese language requirement, students should complete the application form at the School website (<https://ug.fbe.hku.hk/support-and-development/useful-info/downloadable-forms>) and return it to the Faculty Office by the deadline.

(b) Common Core Courses (6 courses; 36 credits)

Students shall complete a total of 6 Common Core courses (36 credits), comprising at least one and not more than two courses from each Area of Inquiry (AoI) with not more than 24 credits of courses being selected within one academic year except where candidates are required to make up for failed credits.

**2. Professional Core in Accounting (18 courses; 108 credits)**

(a) Faculty Core Courses (FCC) (4 courses; 24 credits): (i) ACCT1101 Introduction to Financial Accounting + (ii) ECON1210 Introductory Microeconomics + (iii) FINA1310 Corporate Finance + (iv) Statistics Course (ECON1280 Analysis of Economic Data or STAT1602 Business Statistics or STAT1603 Introductory Statistics)

- FCC can only be double-counted across major-major, but not major-minor combination. Should the FCC constitute the requirements of a second major or a minor offered by HKU Business School, students will be required to take an equivalent number of credits of free electives (for major-major combination) or advanced level minor disciplinary electives (for major-minor combination) in lieu of the overlapped FCC.
- Double-counting is NOT allowed for courses other than the FCC. Students will be required to take an equivalent number of credits of advanced level disciplinary electives under the major/minor concerned in lieu of the overlapped courses.

(b) Disciplinary Core Courses (13 courses; 78 credits): (i) ACCT2102 Intermediate Financial Accounting I + (ii) ACCT2105 Introduction to Management Accounting + (iii) ACCT3103 Intermediate Financial Accounting II + (iv) ACCT3106 Management Control + (v) ACCT3107 Hong Kong Taxation + (vi) ACCT3109 Auditing + (vii) ACCT4104 Advanced Financial Accounting + (viii) BUSI3801 Business Law + (ix) BUSI3803 Company Law + (x) IIMT2601 Management Information Systems + (xi) IIMT3636 Decision and Risk Analysis I + (xii) MGMT2401 Principles of Management + (xiii) MKTG2501 Introduction to Marketing

(c) Capstone Course (1 course; 6 credits): ACCT3112 Accounting Data Management and Analytics

**3. Compulsory Minor in Finance (6 courses; 36 credits)**

Students should declare the compulsory minor in Finance via SIS during the preliminary course enrolment period in Year 2. They may utilize the 42 credits of free electives for optional major in Finance (78 credits).

(a) Disciplinary Core Courses (2 courses; 12 credits): (i) ECON1220 Introductory Macroeconomics + (ii) FINA2320 Investments and Portfolio Analysis

(b) Finance Disciplinary Electives (4 courses; 24 credits): Students are required to complete 24 credits of finance disciplinary electives in lieu of the overlapped FCC between the Professional Core in Accounting and Minor in Finance. Please refer to [Attachment I](#) for the list of finance disciplinary electives.

**4. Free Electives (7 courses; 42 credits)**

Free electives are courses in any disciplines except Common Core and Chinese Language Enhancement courses. Students may utilise the 42 credits of free electives to fulfil an optional minor.

[Note: Students can declare an optional minor via SIS starting from the preliminary course enrolment period in Year 2. Major/minor declaration is to be finalised by the end of the add/drop period in Semester 1 of Year 4.]
