### Notes to FBE Students

#### 1. Declaration of major/minors

Candidates may first declare major(s) and minor(s) during the August pre-enrolment period before the start of the second year of study. Candidates must finalize their declarations during the September course selection period in the first semester of their final year of study. No further changes will be accepted afterwards.

#### 2. Faculty Core Courses

The following four courses are designated as Faculty Core Courses (FCC): *ACCT1101 Introduction to Financial Accounting*, *ECON1210 Introductory Microeconomics*, *FINA1310 Corporate Finance*, and a statistics course as prescribed in degree syllabuses.

Candidates are not required to re-take the overlapped Faculty Core courses where these courses form part of requirements of the **second major** offered by the Faculty of Business and Economics. Candidates will be required to take an equivalent number of credits of **free electives** in lieu of these overlapped courses.

Should the Faculty Core courses constitute the requirements of **minor programmes** offered by the Faculty of Business and Economics, candidates will be required to take an equivalent number of credits of the **minor disciplinary electives** in lieu of the overlapped Faculty Core courses.

#### 3. Double-counting courses

Courses shall not be double-counted in the major or minor programmes offered by the Faculty of Business and Economics, except for the Faculty Core Courses as listed under Note 2 above in the combination of “double-major”. Where a course applies to more than one major or minor programme, a disciplinary elective (advanced level) must be taken in lieu of the overlapped course.

Candidates who pursue second major/minor offered by the other Faculties should consult the offering Faculty for its double-counting policy.

#### 4. Majors and minors of the same discipline are impermissible combinations.

### **Notes to Non-FBE Students**

5. **GPA requirements for non-FBE candidates**

Starting from the 2015-16 intake, there will not be any CGPA requirement for non-FBE students to declare FBE major/minor.

6. Courses cannot be double-counted, except for the Faculty Core courses as listed under Note 2<sub>above</sub> in the combination of “double-Major”.
