### Nomination Process

Nominations are completed online through our [partner university nomination portal](https://ubccrm.my.site.com/ggpu) on Salesforce.

Log into the nomination portal ([https://ubccrm.my.site.com/ggpu](https://ubccrm.my.site.com/ggpu)). The account username will be your email address. If logging in for the first time, you will be asked to verify email. Afterwards, you will be able to access the nomination portal to submit your nominations AND upload your students’ application documents. A tutorial video on how to nominate students is available [here](#).

Please ensure your contact information is accurate & up-to-date. For any changes to contact details, or if you do not have access to the portal, please notify the Go Global team at: [go.global@ubc.ca](mailto:go.global@ubc.ca).

**UBC Terms for reference when nominating students:**
- Term 1 (one semester space): Sept-Dec 2024
- Term 2 (one semester space): Jan-Apr 2025
- Full Year (two semester spaces): Sept-Dec 2024 + Jan-Apr 2025
- Split Year (two semester spaces): Jan-Apr 2025 + Sept-Dec 2026

</table>

UBC Go Global only accepts supporting application documents in [electronic format](#) uploaded by the partner university via the nomination portal. Please refer to the Document Checklist section for the required documents. We ask partners to gather the documents from the students and upload them by the application document [deadline](#).

Partners will need to upload each document separately for individual students. A handy tutorial video on how to upload documents is available [here](#).

### Application Process

**Upon nomination, the student receives a link by email to complete [online Go Global application](#).** This link is for Go Global exchange and visiting students only. Please advise your students NOT to use the UBC Undergraduate Program application/admission portal for their application.

After submitting the online application in the student application portal, students receive a UBC student ID number. They must also forward their [supporting application documents](#) (see “Application Documents” above) to their home university for submission through the nomination portal by the application document deadlines. Then, they should follow the remaining steps as indicated on our [application instructions page](#) to obtain a CWL account and apply for housing if needed.

### Admission & Course Registration

#### Admission Process
Application files are reviewed by Go Global and/or faculties for admission. Once admitted, students will receive an email notification prompting them to download a Letter of Acceptance (LOA) from the student application portal. LOAs will be available mid to late May for Round 1 and mid to late October for Round 2 students.

**New process as of October 4, 2023 for IRP Workday Student Launch 1:**
As an administrative step, students will also need to accept their admission offer in the Applicant Service Centre (ASC) by the stated deadline on their admission notification email. The steps for students to accept the offer are:

1. Go to the ASC to obtain a login link
2. Select “Student, Applicant, External Student Portal”
3. Enter your UBC student number and the email used to create your Go Global application
4. You will get an email with a link* that logs you into UBC Applicant Service Centre (ASC) with no password required
5. Accept your admission offer in ASC before the deadline indicated

*NOTE: The link in step 4 expires after 15 minutes. To receive a new link, repeat steps 1-3. Check your junk mail in case the email gets accidentally sorted there. If you do not receive an email, please submit a ticket to the UBC IT Help Desk for technical support.

Students can order extra transcripts online at: [https://students.ubc.ca/enrolment/records/ordering-transcript](https://students.ubc.ca/enrolment/records/ordering-transcript)

<td>On-campus Housing</td>
<td>A limited number of spots are reserved for exchange students. Due to very high demand, on-campus housing is not guaranteed, and only about 50-60% of exchange students will receive on-campus housing. We recommend Engineering CIE Term 1 only exchange students to look for off-campus housing because of the low chance of getting into a UBC residence. <em>For Split Year students, housing is NOT guaranteed for Sept to Dec 2025 (2025-26 Term 1)</em></td>
<td>While housing is not guaranteed, the Housing office in the Okanagan prioritizes exchange applicants who apply by the deadline. Term 2 students will be able to apply for housing in the fall semester.</td>
</tr>
</tbody>
</table>

## Apply for Housing

As soon as students receive their UBC ID number, they should submit a housing application online at [https://secure.housing.ubc.ca/](https://secure.housing.ubc.ca/). There is a $50 non-refundable application fee.

Deadlines for the housing application vary by nomination period and the term the student is coming for. Details can be found here: [https://global.ubc.ca/go-global/coming-ubc-study-abroad/coming-ubc-exchange/key-dates-applying-ubc-exchange](https://global.ubc.ca/go-global/coming-ubc-study-abroad/coming-ubc-exchange/key-dates-applying-ubc-exchange)

## Housing Selection & Placement

Priority consideration for on-campus housing is given to:
- Full year students
- Students in special cohort programs (e.g. Tec JAP, Global SCLM, etc.)
- Students with disabilities, medical conditions and extenuating circumstances**
- Students from partner schools that evenly distribute Term 1 and Term 2 nomination spots
- Students whose nomination is submitted during the regular nomination periods

**Go Global contacts partner universities to help identify these students prior to the selection process.

After the priority considerations, Go Global conducts a random lottery of students to receive housing offers. All residence offers are sent by email from the Vancouver Housing office and include an expiry date to respond and pay a deposit. Specific residence and room assignments are managed by the Vancouver Housing office.

Priority consideration for on-campus housing is given to:
- All inbound exchange students

All residence offers are sent by email from the Okanagan Housing office and include an expiry date to respond and pay a deposit.

## Immigration Requirements

International students who will study at UBC for less than 6 months will need to apply for a Temporary Resident Visa (TRV, “entry visa” or “visitor visa”) or Electronic Travel Authorization (eTA) in order to ENTER Canada. To find out if you require a TRV or eTA, please check [http://www.cic.gc.ca/english/visit/visas.asp](http://www.cic.gc.ca/english/visit/visas.asp) or contact the nearest Canadian visa office.

Additional information and tutorials can be found at: [https://students.ubc.ca/international-student-guide](https://students.ubc.ca/international-student-guide)
## Study Permit

A study permit is **required for international students studying at UBC for more than 6 months**. Single-term students need to obtain a study permit if they intend to work on campus, want to extend their study to full-year, or plan to enter Canada early (more than one month before school starts). If students arrive too early without a study permit, their extension request for the period of authorized stay in Canada may not be approved by immigration officers.

If you apply for a study permit, you do not need to apply for a TRV or eTA because it will be issued to you when your study permit application is approved. ## Health Insurance & Student Services

### Medical Insurance (Mandatory)

- **Students staying less than 6 months (one term only)**: Single-term students are automatically covered under **iMED** (mandatory health insurance plan) for the duration of their exchange at UBC. The cost of iMED for one term students is $338 CAD + a one-time $10.54 CAD direct billing fee.

- **Students staying for more than 6 months (full year or split-year students)**: Full year students are automatically covered by **iMED** ($237) for the first three months before they can be enrolled in **BC Medical Services Plan (MSP)** ($75/month). MSP is the basic medical insurance provided and required by BC government. iMED ensures students have adequate medical coverage from the time they leave home (up to ten days prior to arrival if within the coverage dates) and while they are waiting to be enrolled in BC MSP. Full year and split-year students must apply for MSP as soon as they arrive in BC, Canada. More information: [iMED and BC MSP](https://global.ubc.ca/go-global/coming-ubc-study-abroad/coming-ubc-exchange/budgeting-exchange/).
