

APPLICATION INFORMATION SHEET AY2020-2021, SEMESTER 1&2

Updated as of February 2020

Dear Prospective International Exchange Students,

The faculty, staff and students at Nanyang Technological University, Singapore (NTU) extend to you a sincere and hearty welcome to our Yunnan Garden Campus for your semester-long immersion in AY2020-2021.

We understand that choosing the right university to meet your study abroad needs, hopes and expectations can be a considerable challenge, albeit an exciting one. Catering to more than 2,100 exchange students from over 40 countries and 280 institutions in AY2019-2020, we are proud to introduce NTU as your first choice for an Asian study abroad experience.

Ranked 11th globally*, NTU places you in an academically stimulating environment that is both culturally enriching and socially fulfilling. Our comprehensive and innovative approach towards education and research will help contribute to your future success and inspire you to realise your full potential as an entrepreneurial and technology-savvy leader. The many extracurricular activities offered on and off campus will also complement your formal studies and help you build lasting friendships from the moment you set foot onto the campus. This is also the perfect 'soft landing' in the heart of a booming Asia-Pacific region and a great jumping-off point to explore the many cultures, languages and societies surrounding Singapore, which include India, China, Vietnam and Thailand.

May we invite you to join GEM Trailblazer Exchange and be part of our cosmopolitan and vibrant global community. Read on to find out how you can apply for a short immersion with Nanyang Technological University, Singapore.

Welcome to the start of a wonderful journey of learning and self-discovery!

Yours sincerely,
Mrs Chong Mei Eng
Director
Office of Global Education and Mobility

ABOUT SINGAPORE

Singapore – A Garden City

Singapore is made up of 63 surrounding islets with a total land area of more than 719 square kilometers and a total population of 5.7 million people.

Although its compact size belies its economic growth, within 150 years, Singapore has grown from a fishing village into a thriving centre of commerce and industry. Singapore is home to one of the busiest ports in the world with over 600 global shipping lines sharing Singapore's waters with coastal fishing vessels and wooden ships.

Over the years, Singapore has managed to diversify and strengthen its economy, becoming the economic giant of South-East Asia. Singapore is a major financial centre in Asia (with more than 130 banks and multinational financial companies) and it is the location of one of the world's major oil refining and distribution centres. It possesses a robust electronic components sector, and leads the course in shipbuilding and repairing – all facilitated through a world-class communications network which links the nation to the rest of the world.

Singapore's strategic location, excellent facilities, fascinating cultural contrasts and tourist attractions contribute to its success as a leading destination for both business and pleasure.

ABOUT NTU

NTU is world's top young university for sixth consecutive year

NTU leads the dominance of Asian and technological universities in QS' latest young universities league table

Nanyang Technological University (NTU) has topped the rankings for young universities for the sixth straight year. In Quacquarelli Symonds' (QS) latest rankings of the *world's top 50 universities under 50 years old*, NTU retained the **No. 1 spot**. The rankings shows the performance of universities focused on Science, Technology, Engineering and Math. The rankings regularly show top performance from our engineering faculty.

NTU offers courses in engineering, science, business, humanities, medicine, arts and social sciences, with the Lee Kong Chian School of Medicine being a jointly directed school between NTU and Imperial College London.

With an excellent network of top overseas universities and industry leaders, NTU's academic and research partners include Imperial College London, Rolls-Royce, BMW, Lockheed Martin and more.

The University's main campus has been named one of the *Top 15 Most Beautiful in the World*.

The NTU community comprises more than 30,000 students and over 4,000 researchers and faculty staff, all hailing from a 100 different nationalities – **a testament to Singapore's values of multiculturalism and openness.**

Courses Selection	<p>Undergraduates (UG): The undergraduate course catalogue can be found at this link. You may use this course catalogue to plan your studies and course match for AY2020-2021.</p> <p>Graduates (PG): There are very limited PG courses available for exchange students. Exchange students may only select from the list of PG courses found in the PDF document via this link. The list of courses for AY2020-2021 Semester 1 and 2 will be available from February and September 2020 respectively.</p>
Courses Selection (Language Courses)	<p>Students who are interested in taking a higher level language course or have prior study/background in the language, are required to sit for a placement test to determine their language proficiency. The placement test is usually conducted in the first week of the semester.</p> <p>For more information, please refer to the Centre for Modern Languages (CML) website.</p> <p>Please note that language courses are UG courses and will not be available for PG students.</p>

COURSE REGISTRATION AND ACADEMIC INFORMATION

REGISTER FOR COURSES

Course Registration

Undergraduates (UG):

You will be able to obtain information on UG course registration, and view the list of your approved UG courses through the GEM Trailblazer Exchange/Study Abroad Portal.

Exchange students will be pre-allocated a number of their approved UG courses during NTU course registration. You may still register for additional approved UG courses during the Add/Drop period in the first two weeks of the semester.

Please note that some UG courses are highly popular and vacancies are limited (particularly Business, Economics, Sociology, Sports, Language and Communications courses). While the University will try to meet the demand where possible, exchange students should expect that not all demands can be met, and students are encouraged to be flexible with their study plan.

Graduates (PG):

You will be able to obtain information on PG course registration, and view the list of your approved PG courses in the GEM Trailblazer Exchange/Study Abroad Portal.

You are required to have at least one PG course approved. You would have the opportunity to request and register for additional approved courses before the start and during the first two weeks of the semester.

Please note that some PG courses are in high demand. Approval and registration of PG courses shall be subjected to the discretion of the offering schools, availability, vacancies and pre-requisites. Students may be required to reselect courses if there is a clash in class/exam timetable.

While the University will try to meet the demand where possible, exchange students should expect that not all demands can be met due to vacancy limitations. The approved PG courses will be registered on your behalf after matriculation, and a notification email will be sent to your NTU email address.

Direct Masters:

Refer to the UG information section for UG courses; and the PG information section for PG courses.

Academic Transcripts

Upon completion of the Study exchange, two copies of the official NTU transcript will be mailed to the student's home university within two months of the release of examination results. One of the copies will be for the student's retention while another will be retained by the home university. Electronic transcripts are not available.

HOUSING

On-campus housing for exchange students	<p>All incoming Study exchange students would be guaranteed on-campus housing. Exchange students coming on Research exchange shall be recommended for off-campus housing in view of the varied project dates.</p> <ul style="list-style-type: none">• Upon acceptance as an exchange student, you may apply online for on campus housing through the GEM Trailblazer Exchange/Study Abroad Portal before the stipulated closing date.• Students who do not submit the housing application online before the stipulated closing date, will be deemed as opted out from on-campus housing.• Students are allocated randomly, and requests for specific types of rooms will be evaluated on a case by case basis. Students with medical condition(s) and/or have specific requests will have to submit a doctor's letter certifying their condition, which shall subsequently be verified by NTU's Medical Centre.• Students are required to declare medical conditions and requests when submitting their application for GEM Trailblazer.• Request for specific room-mates or preferred Halls is not allowed.• Full-year exchange students, who successfully secured on-campus housing for their first semester must re-apply for housing in their second semester.• Period of stay in the Hall is determined by the approved period of exchange as stipulated on the NTU Letter of Enrolment. <p>Please see housing options for more information.</p>
Check-in date for Halls of Residence	<p>The earliest that exchange students may move into their allocated room in the Hall of Residence is usually three days before the commencement of the Teaching Week.</p> <p>The Office of Housing & Auxiliary Services (HAS) shall notify the exchange students on the exact check-in date and timings via the GEM Trailblazer Exchange/Study Abroad Portal. Check-in will only be available during office hours of the hall admin offices.</p> <p>Exchange students who intend to arrive earlier than the check-in date and/or arrive outside of office hours will have to source for temporary off-campus housing. A list of temporary off-campus housing can be found at this link.</p>
Off-Campus Housing	<p>Students seeking off-campus housing should begin their search well in advance of their arrival in Singapore. Students are recommended to search in Estates near NTU such as: Boon Lay, Jurong West and Jurong East.</p> <p>For more information please refer to this link.</p>

IMMIGRATION

Entry Visa Requirements	<p>Students who require an entry visa to enter Singapore <u>need not</u> apply for one. Upon approval of the Student's Pass application, an In-Principle Approval (IPA) letter will be issued to the students. A single journey visa shall be incorporated in the IPA letter for entry into Singapore. For more immigration matters, you may refer to this link.</p> <p>Students are advised to arrange their flights only when their Student's Pass application has been approved.</p>
FOR STUDY AND/OR RESEARCH	
Student's Pass	<p>All international students who have been accepted and offered a place as a full-time matriculated or registered student are required to hold a valid Student's Pass issued by the Singapore Immigration & Checkpoints Authority (ICA).</p> <p>You will be notified of the Student's Pass application procedures via the GEM Trailblazer Exchange/Study Abroad Portal.</p> <p>Exchange students holding Student's Pass are not allowed to work during the exchange period.</p>
Training Employment Pass (TEP)	<p>International students who have been successfully placed in a research project are required to hold a Training Employment Pass (TEP).</p> <p>The School which the Research students are attached to will apply on their behalf for the Training Employment Pass (TEP) with Singapore's Ministry of Manpower (MOM).</p>

WELL-BEING

Health and Wellness	<p>Medical, dental and counselling services are available on campus to cater to your health and wellness needs.</p> <p>Should you feel unwell after office hours, you may proceed to nearby Clinics for assistance. For acute medical care and emergencies, please visit the nearest hospital, Ng Teng Fong General Hospital.</p> <p>For more information on Health and Wellness, you may refer to this link.</p>
Medical Declaration	<p>To ensure that your well-being is taken care of, students who have existing conditions (medical, physical/mobility, sensory impairment, neurological deficits and/or learning disabilities) are required to submit medical documentation and/or specialist assessment reports during online application stage for verification.</p> <p>Students will be requested to provide the following documentation:</p> <ul style="list-style-type: none"> • Letter or memo from doctor certifying the student is fit for overseas immersion programme. The letter must be in English, and should be issued by the attending psychiatrist or medical practitioner specialising on the declared condition; • Doctor's memo indicating medication and dosages. The memo needs to be in English, and indicates current prescription including alternative medication; • Assessment report (if required); • Accommodation letter (in English) from home university, describing type of support provided at home university. <p>Upon arrival at NTU, students are required to undergo further medical assessments/counselling to ascertain appropriate support services if so needed, for the well-being of students. These assessments may be conducted internally at NTU or externally by third-party service providers. In such cases, students may need to bear the costs for such assessments.</p> <p>For students on long-term medication, please refer to Health Sciences Authority's website for more information on bringing personal medication into Singapore.</p>
Declaration of Disability	<p>Exchange students who have a disability and require academic support services must submit documentary proof of their disability (doctor's letter and assessment report in English) and an accommodation letter in English from their home university, indicating the type of support services they are currently receiving. Please note that NTU support services may be different from what is offered in the home university. Students should also bring along the original assessment report during the exchange semester.</p> <p>The information is important for review and advice on availability of similar support services at NTU.</p>

WELL-BEING

Health Screening	<p>Exchange students who are studying at NTU for more than 6 months will need to undergo a health screening at the campus Medical Centre - Fullerton Health @ NTU. The health screening results may be used to fulfil the Immigration & Checkpoints Authority's (ICA) requirements, unless otherwise advised.</p> <p>Details of the health screening and appointment time slots will be advised during student's arrival. Please note that the health screening will incur an estimated cost of \$50 to \$100.</p>
NTU Student Insurance Schemes	<p>It is compulsory for all exchange students to be covered under the NTU student insurance schemes, namely Group Personal Accident Insurance (GPAI), Group Hospitalisation & Surgical Insurance (GHSI) and Medical scheme, even if students have already bought similar insurance in their home country. The cost of these student insurance schemes is included in the compulsory NTU Miscellaneous fees.</p> <p>Falling ill and being hospitalised in Singapore can be a financial drain on international students, who are not entitled to the medical subsidies that Singapore citizens enjoy. Besides the coverage it provides, the GHSI (subject to its terms and conditions) allows you to request a Letter of Guarantee from the underwriter and present it in lieu of the requisite deposit upon admission to government/ restructured hospitals in Singapore.</p> <p>For more coverage details please refer to this link.</p>

COSTS

Living Cost	The living costs you incur will depend on your lifestyle. On average, students should prepare an estimated SGD 5,000 per semester to defray costs such as accommodation, food, transportation, personal expenses, textbooks etc.
Administrative fees	<p>Estimated compulsory payments:</p> <ul style="list-style-type: none">• SGD250 per semester for Exchange UG students• SGD280 per semester for Exchange PG students <p>Compulsory miscellaneous fees include administrative costs; IT facilities; sports; amenities; student health service; insurance, etc.</p> <p>Students should ensure they have sufficient monies to pay for these compulsory payments upon arrival / registration at NTU.</p>

DUO-Singapore Exchange Fellowship Award (for European Students only)	<p>The Asia-Europe Meeting's (ASEM) DUO Fellowship Fund aims to promote student exchanges between European and Asian ASEM member countries. Under this fund, the DUO-Singapore Exchange Fellowship is awarded by the Singaporean Government to Singapore and ASEAN students studying in the Nanyang Technological University (NTU), National University of Singapore (NUS) and Singapore Management University (SMU). The Award is also open to students from European ASEM countries (who come from universities with fee waiver arrangements with NTU, NUS and SMU).</p> <p>The Award, which is based on merit, is for a pair of exchanges between a university in Singapore and its respective partner university in Europe in any academic field. Each student will be awarded a maximum of 4,000 Euros for one semester of up to four months, which covers airfare, accommodation and living expenses.</p> <p>There is no bond imposed by the Singaporean Government for the Award, which is open to both undergraduate and postgraduate students.</p> <p>The DUO Scholarship is by-invitation only.</p>
TF LEaRN @ NTU Award (for selected Asian partner institutions only)	<p>This scholarship is only available in Semester 1. For more information or enquiry on TF LEaRN@NTU scholarship, please visit the link or email tflearn@ntu.edu.sg.</p>

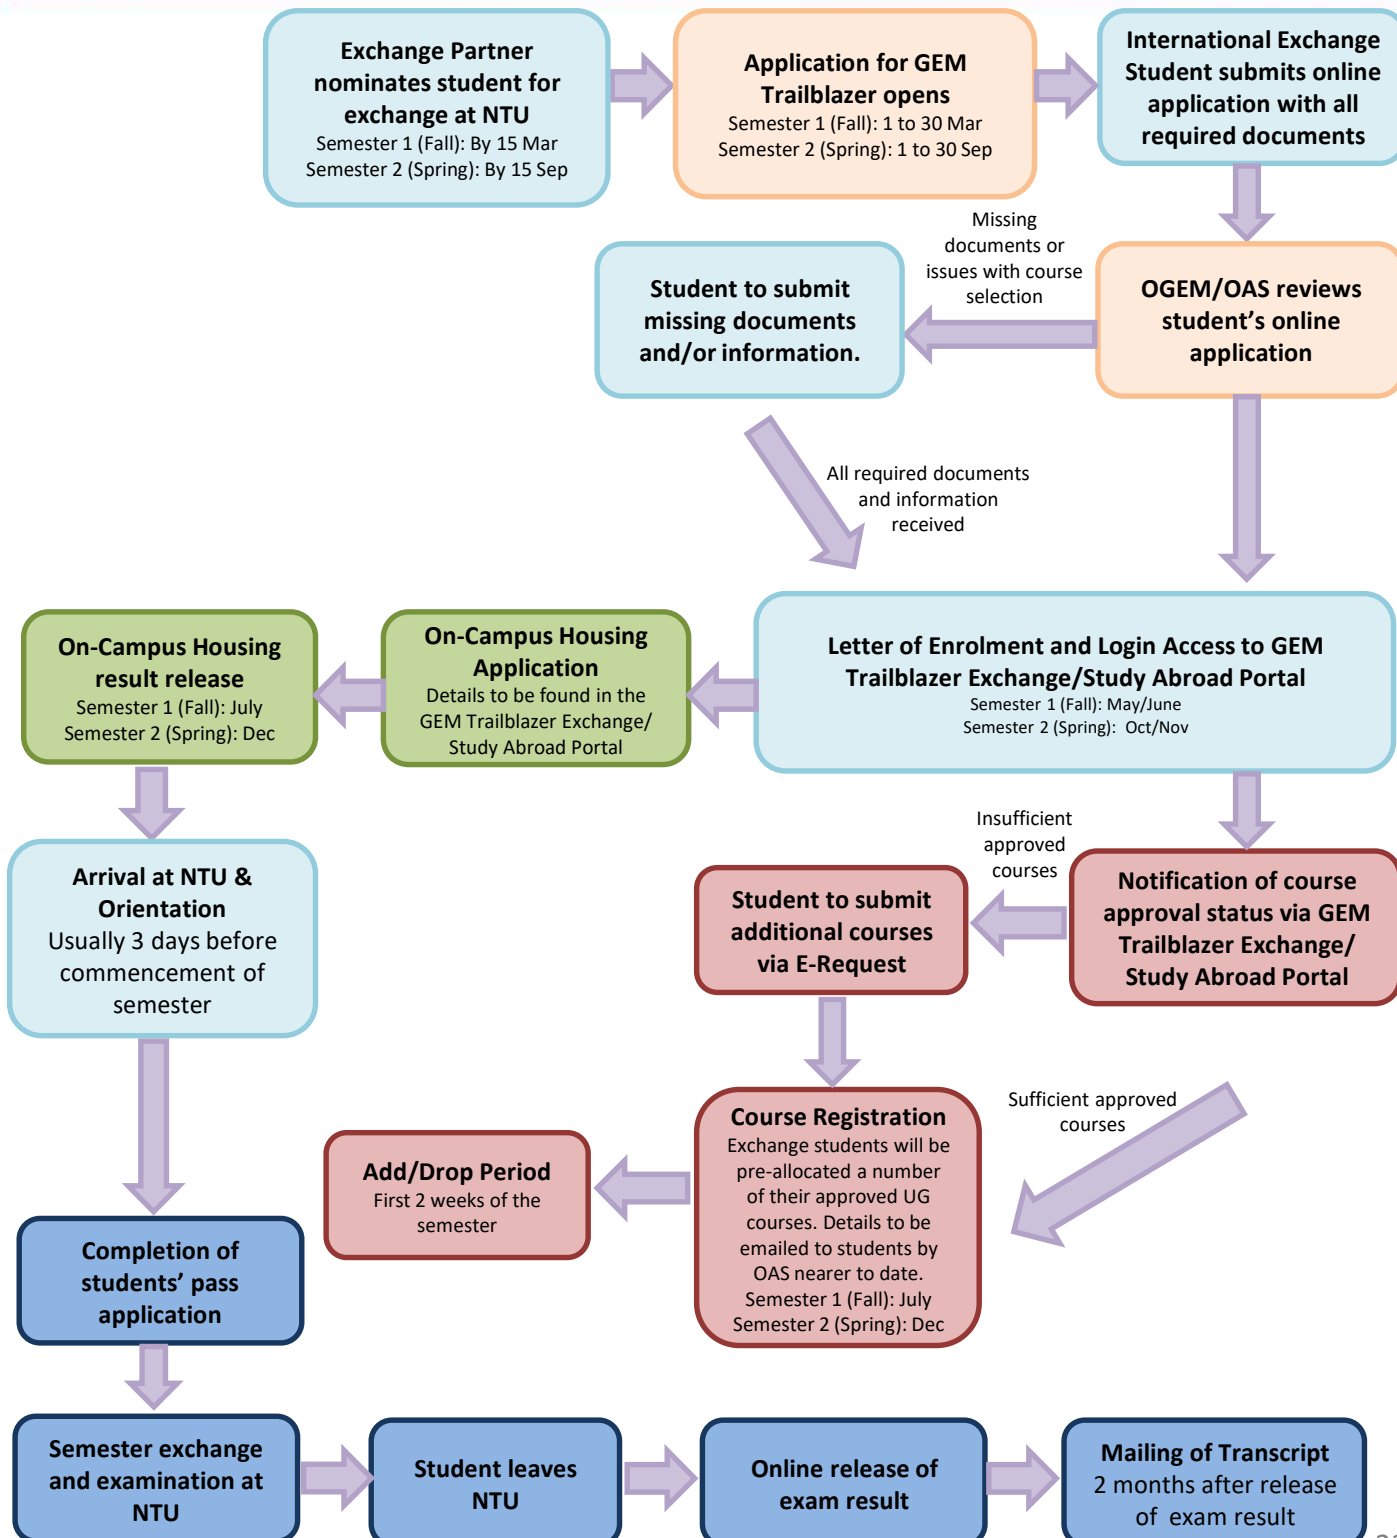

PRE-DEPARTURE AND ARRIVAL

Arrival Date	<p>Exchange students are strongly recommended to arrive three days before the commencement of Teaching Week to attend the half-day orientation briefing. The orientation briefing is usually held on a Thursday or Friday of the week prior to the term commencement date. The details of the orientation briefing can be found in the GEM Trailblazer Exchange/Study Abroad Portal under Notification.</p> <p>Students who are successful in their application for on-campus housing shall be informed of their check-in date by Office of Housing & Auxiliary Services before their arrival.</p>
Vaccinations	<p>Students coming from or who have passed through any country at risk of yellow fever six days prior to arriving in Singapore, are required to have valid certificates of vaccination for yellow fever. Please refer to Immigration & Checkpoints Authority's website for more information.</p>
Airport Reception	<p>There is no airport reception. However, there should be little difficulty finding your own way to our campus from the airport with the pre-arrival information provided and using Singapore's efficient public transport system.</p> <p>For more information on how to get started at NTU, refer to this link.</p>
