There are always things to do: walking around, having a picnic in front of the crescent, watching a rugby match... Bath has excellent transport connections, so it is easy to visit London for the weekend or travel around the UK or Europe during Easter Break. We do not set retrievals for exchange students but we can organise them by exception at the sending institution’s specific request. This does not apply to final year units (MN3).

REFERENCING & PLAGIARISM

All students must be familiar with the University’s guidelines on referencing and plagiarism. The University of Bath recommends students use the Harvard System.

THE ACADEMIC INTEGRITY TEST

This must be completed by all students and failure to do so may delay the release of your transcript. Click here for more information on the Academic Integrity Test.

"It was a magical experience to live daily life in such a beautiful city like Bath. From the first day I was here, I fell in love with the architecture, the river, the Royal Crescent and the parks. Also, I think this is the perfect city for young people because everything is within walking distance, there are a lot of pubs and discos, and a great part of the population is young."

FRANCISCO VALDÉS CRUZAT
Pontificia Universidad Católica de Chile, Chile

"I love the study life balance at Bath. There are a variety of activities that the University offers. For example, the School of Management held orientation activities, a leavers’ party, bus tour, and an afternoon tea meeting. The Student Union had a lot of study well events and student club activities. Those activities are excellent opportunities to meet different people and make friends. Also, the lectures and seminars I had were very interactive, and the duration of each session was just perfect."

"I enjoyed the whole exchange experience! Bath is such a beautiful city. It’s the first time that I had lived in student accommodation, so I enjoyed the independence, but also felt that I could turn to the accommodations team or the international relations team if I needed something. I made loads of new friends who are from all over the world and had the chance to travel to places such as London, Oxford, Scotland, and Italy. There were also amazing events organised for us including an evening party at the Roman Baths and a Farewell Cream Tea event."
