Matriculation & Visa Process

Students will send their unofficial transcript, photo & English language proficiency test results (*results cannot be more than 2 years old*) to the IBEX Exchange Office. Students will also complete two application forms – one to be matriculated as students at NYU and another to apply for the DS-2019 (Certificate of Eligibility for J-1 visa status). The DS-2019 will be generated and emailed by [NYU's Office of Global Services \(OGS\)](#). This important form is one of the documents required to apply for the J-1 student visa at a local US consulate or embassy. Students will receive their acceptance letter via email, which is also required for the visa application.

Please note that the processing fee for the DS-2019 is \$115. Students are also **required** to attend the OGS Orientation at the start of the semester. IBEX exchange students have full access to the services offered by the Office of Global Services throughout their exchange.

NYU Housing & Accommodations

Students have the option of applying for NYU-on campus housing or seeking off-campus accommodation. As there is limited capacity, the NYU Housing Office cannot guarantee on-campus housing (particularly for Fall). Students are provided with an off-campus resource guide. Visit the NYU Housing webpage for more information: www.nyu.edu/housing.

Living Costs*

**Costs listed are estimate based on current AY pricings and are subject to change.*

- **Housing:** Varies between \$5,310 to \$13,850 USD per semester
- **Food:** You have the option to enroll in a NYU meal plan, which can range from approximately \$1,673 to \$3,338 USD per semester.
- **Books:** Approximately \$900 to \$1,100 USD per semester
- **Local Transportation:** Free NYU shuttle buses to NYU buildings and residence halls. New York City subway and bus service is accessible to all parts of the city (\$3.00 per one-way trip).
- **Health Insurance:** The estimated 2025-2026 year-long annual fee for students (Comprehensive Plan) is \$4,644. Fall semester students only: \$1,794. Spring semester students only: \$3,129 (higher because it also covers summer). Required Immunizations: *All students* must show proof of immunizations. Go to <https://www.nyu.edu/students/wellbeing/clinical-services/health-requirements/health-requirements.html> for more information.

- Course descriptions are available in the Stern Undergraduate Bulletin at <https://bulletins.nyu.edu/undergraduate/business/courses/>
- Stern course syllabi are available on-line [here](#).
- Students can take classes from a variety of departments and concentrations. Certain restrictions and caps apply:
 - maximum of two finance courses and/or two economics courses per semester
 - maximum of one non-Stern course (pending approval/availability) per semester
 - no graduate level (MBA) courses

Learning Expectations

Class Format	Combination of lectures, group projects and experiential learning
Grading	A (highest grade), A-, B+, B, B-, C+, C, C-, D+, D, F (failing)
Class Size	Varies from 25 to 100 students depending on the subject
Course Load	12 to 18 credits a semester (average student takes 16 credits). These credits are comprised of 2, 3, and 4 credit courses, so a student could take 4 to 6 classes for a full-time schedule. Most courses are 3 or 4 credits.
Examinations	Grades are determined by a combination of one or more factors, which could include exams, group projects, papers, class participation, and presentations.

English Language Ability

All courses are conducted in English and involve discussion, group work and presentations that require strong English speaking and listening skills.

- Students from partner universities in Australia, the United Kingdom, Singapore, or from Hong Kong University of Science & Technology do not need to submit any proof of English language ability.
- Students in a degree program taught entirely in English at their home university must provide a letter stating such – on official letterhead, dated, and signed by their international office. It must describe how this English language ability was determined for entrance into the home university program.
- Students who do not fit into one of the two categories above must provide test results with the minimum scores listed below:
 - 100 and above on the TOEFL iBT (Home Edition Accepted)
 - 130 and above on the Duolingo English Test
 - 7.5 and above on the IELTS Academic
 - 70 and above on the PTE Academic
 - 191 and above on the Cambridge English Scale
 - 4.5 and above on the iTEP
