

Business Exchange Programme 2022-23
Competitiveness/ Popularity of Exchange Institutions

Note:

(1) This list is compiled based on observation of past few years and shall be used for students' reference only.

The popularity pattern may be disrupted due to suspension of exchange in 2020-21 and 2021-22.

This list hence in no way implies the individual institution's popularity in 2020-21 and 2021-22.

(2) The institution list is tentative. A complete list of institutions will be ready in January 2022.

| Country | Institution | Competitiveness | Tier No (Internal) |
|-----------------|--|------------------------------|--------------------|
| Canada | McGill University | Very competitive & popular | 1 |
| Canada | University of British Columbia | Very competitive & popular | 1 |
