- Credit overload or underload during exchange is **NOT** advised, except under special circumstances in which School Office approval is required.

## Credit Transfer Policy

- Credit transfer is considered on the basis of:
  1. **course content equivalence**
  2. **total learning time** involved in a particular course (i.e., hours include both in-class and outside classroom learning activities)
  3. **credit conversion**
- The normal study load of a **6-credit course: 120 hours – 180 hours of learning activities.**
- For European Institutions: **1 ECTS credit = 1 HKU credit**

## Credit Transfer Policy

## Further Advices

### 1. Be realistic

- Some institutions are more competitive in terms of popularity and hence require better academic performance
- Students should put both “Preferred” and “Safer” choices in their application.
- Please refer to the table of host institutions with competitiveness as observed in past few years.

(This table serves as **REFERENCE ONLY** based on previous participants' preferences and academic performance.)

### 2. Research on host institutions

- The teaching schedule of partner schools, e.g., term dates, examination period, course load, etc. ( <https://ug.hkubs.hku.hk/exchange-partner> )

**Do your best and keep up with your good academic performance

## Business Exchange Programme Frequently Asked Questions

- Q: What should I prepare before applying for exchange?  
A: Students should conduct research on their preferred host institutions (e.g. their academic performance and English proficiency requirements, academic calendar, the courses they offer, etc.), seek advices from academic advisers, and discuss your study plan with your family. You should also check if their academic calendar matches with your internship plan (if any); and prepare alternative study plan if the course(s) you wish to take is/are not offered.
- Q: Can I apply for both HKUWW and Business Exchange Programmes?

A: You can have up to 8 choices for Business Exchange Programme.
