New Implementation on Business Exchange Programme

• Business Exchange Programme includes two-round process: Main Round in January and Late Round in March

• Business Exchange Programme is opened for all Non-final year full-time HKU Business School UG students in 2023-24 to apply for going on exchange in next academic year [Note]

• Second exchange opportunity

Note: Some host institutions do require students to complete TWO years of UG studies by the time of beginning their exchange at host institutions. Students are encouraged to study the guidelines, websites, factsheets carefully.
Business Exchange Programme (Main Round)

• In the Main Round, all exchange places will be open for application and allocation.

• Students who have never been to exchange in university life are encouraged to apply Business Exchange through Main Round in order choose from the full list of exchange partner institutions.
Business Exchange Programme (Late Round)

- Any unfilled exchange slots (unselected slots and unaccepted offers in Main Round) will then be carried over to the Late Round
- All Business students can apply for a first or second exchange opportunity through the Late Round
- Only the Late Round accepts applications for a second exchange opportunity
- To better align with the University’s policy that each student receives one exchange opportunity, students who have yet to get their first exchange will have higher placement priority than students applying for a second exchange in the Late Round
Eligibility
Business Exchange Programme (Main Round)

- Non-final year full-time HKU Business School UG students in 2023-24
- Have NOT been to any exchange programme in university life
- Students are required to meet the English proficiency requirements and academic requirements prescribed by the host institutions

- For Main Round Business Exchange application, student can only apply for ONE exchange programme, i.e., either HKUWW or Business Exchange programme. In the event that students apply for both Programmes, your Main Round Business Exchange application will be considered void

Special Notes (1)

Some partner institutions may apply course restrictions or selection criteria.

Examples:

King’s College London

Students are required to have a CGPA of 3.3 in 4.0 scale (around 3.5 in 4.3 scale) at the time of application.

The University of Edinburgh
University of California, Irvine

Students are required to take majority courses in Business during exchange.
Special Notes (2)

Course availability or lists vary from time to time.

Examples:

University of Kent
Due to the high popularity of Business modules, places can be limited particularly on core modules

For some double-degree students (e.g. BBA(Law)&LLB), students are unlikely allowed to take law courses if they join the Business Exchange Programme.
Special Notes (3)

The course offerings of different campuses of the university may be different.

Students cannot swap campuses of the university. You have to stay in the same campus throughout the whole exchange period. Examples:

• EDHEC Business School – Lille
• EDHEC Business School – Nice
• Lille campus: Business Management track
• Nice campus: Financial Economics track
• Students can only join either Lille or Nice campus. No swap of campuses during exchange is allowed.
Special Notes (4)

- Partner institutions may require students to go on exchange in specific semester(s) only.

- Some partner institutions have a different academic calendars from HKU’s. Students are suggested to check the academic calendars of the institutions and avoid any timetabling clash with HKU academic calendar.

Examples:
- **University of Surrey**: Fall semester spans from October to February. Students should only go in Spring to avoid any timetabling clash with HKU academic calendar.
- **Foster School of Business, University of Washington**: Students can only go in Fall semester due to their trimester academic calendar.

For detailed information, students MUST research on the fact sheets provided on the School’s website or those on exchange partners’ official websites (https://ug.hkubs.hku.hk/exchange-partner).

Frequently Asked Questions

Q: What should I prepare before applying for exchange?
A: Students should conduct research on their preferred host institutions (e.g., their academic performance and English proficiency requirements, academic calendar, the courses they offer, etc.), seek advice from academic advisers, and discuss your study plan with your family. You should also check if their academic calendar matches with your internship plan (if any), and prepare an alternative study plan if the course(s) you wish to take is/are not offered.

Q: Can I apply for both HKUWW and Business Exchange Programmes?
A: No. For Main Round application, Business School students can only apply for ONE exchange programme, i.e., either HKUWW or Business Exchange Programme. In the event that students apply for both Programmes, your Business Exchange application will be considered void.

Q: Can I go on exchange for more than once during my HKU study?
A: Yes, Business School students can go on exchange TWICE during their university life: two Business Exchanges | one Business + one HKUWW Exchange | one Business + one Law Exchange (for BBA/LLB/LLB students only).

Q: What is the selection criteria of Business Exchange Programme?
A: Applicants will be assessed based on their academic performance as of the first semester of 2023-24 (2022), extracurricular activities (30%) and essay (10%).

Q: What are the language requirements for the application of Business Exchange Programme?
A: Students are required to submit the TOEFL/IELTS result slip with the Business Exchange application. You should refer to the host institutions’ websites and factsheets and check if you fulfill the language requirements specified.
   1. If you have not taken IELTS/TOEFL, please take the test as early as possible.
   2. If you cannot obtain the IELTS/TOEFL result by the application deadline, please send the result slip to us via email once available.
   3. If your IELTS/TOEFL result has expired, please submit the expired result along with your application. But expired result is only acceptable for internal assessment, i.e., for placement by the School Office. Students should re-take the test or refer to the host institution’s arrangements after the exchange placement is confirmed.
   4. Please note that a valid IELTS/TOEFL result is usually required for application to the host institutions.
   5. Most institutions have the right to reject your application even under School’s nomination if you do not meet their application requirements (including language proficiency and academic performance).

Q: Can I change the priority order after I submit the application?
A: No, students cannot change their priority order after they submit their applications.
### Decision Process (1)

1. **Region/Country**
   - Must take business courses
   - Fine with taking non-business courses

2. **Courses**
   - Business Exchange
   - Check if there is earmarked quota for Business students in HKUWW (refer to the list)

3. **HKUWW**
