

**THE UNIVERSITY OF HONG KONG  
FACULTY OF BUSINESS AND ECONOMICS**

Important Notes on choosing Business Design and Innovation as Second Major

*(for students admitted in 2018-19 and earlier intakes)*

1. For students admitted **before the 2015-16 intake, a cumulative GPA of 3.0 or above as of August 31 (excluding Summer Semester) at the end of the second year of study** must be obtained for eligibility to declare Business Design and Innovation (BDI) as second major.
2. All courses offered by FBE have quota restriction. Students' declaration of a second major in BDI will NOT guarantee them a place in the relevant courses for fulfilment of the major requirements.
3. Candidates who wish to pursue a second major in BDI are required to undergo a selection process arranged by the Representative for BDI Major, and the arrangements are as follows:
  - a) Candidates are required to submit an application form. Shortlisted candidates will be invited by email to a group interview.
  - b) Declaration of BDI major is blocked by the system. Only successful candidates will be able to declare such via SIS during the initial course selection period or add/drop period.
