

Important Notes on Choosing Asset Management and Private Banking as Second Major

1. All courses offered by FBE have quota restriction. Students' declaration of a second major in Asset Management and Private Banking (AMPB) will NOT guarantee them a place in the relevant courses for fulfilment of the major requirements.
2. Several courses in the AMPB major have pre-requisite requirements. Students are reminded to take note of course pre-requisites and are advised to make reference to the suggested study sequence for BFin(AMPB) students (<https://ug.hkubs.hku.hk/programme/bfin-ampb>) when planning their studies.
3. Students who wish to pursue a second major in AMPB are required to undergo a competitive selection process, and the arrangements are as follows:
 - (a) Interested students are required to submit their application in mid-October. All relevant information should be included in the application documents. Any additional documents separately sent to the selection panel, Programme Director, or Deputy Programme Director will NOT be considered.
 - (b) Shortlisted candidates may be invited to an individual interview via email from the Faculty Office.
 - (c) Declaration of a second major in AMPB has been blocked by the system. Only successful students will be able to declare such via SIS during the initial course selection period or add/drop period.
4. All communications regarding the application and selection process MUST be directed through the Faculty Office. Since the Faculty Office manages the administrative and logistical aspects of the application process, students are kindly requested to refrain from contacting the Programme Director or Deputy Programme Director about administrative and logistical questions that the Faculty Office is in a better position to answer.

Note: Students pursuing a second major in AMPB may not be automatically eligible to join value-enhancing activities exclusive for BFin(AMPB) students, unless otherwise specified.
