- (a) Language Courses (3 courses; 12 credits): (i) CAES1001 Academic Communication in English + (ii) CAES9920 Academic Communication for Business and Economics + (iii) CBBA9003 Practical Chinese for BEcon/BEcon&Fin/BFin(AMPB)/BSc(QFin) Students

- CAES1001 Academic Communication in English (ACE) is a compulsory, non-credit bearing course for all undergraduate students. Students must enrol in CAES1001 in either Semester 1 or 2 of Year 1 unless exemption has been granted.

Students who have achieved Level 5 or above in English Language in HKDSE, or equivalent, in the year of admission (*i.e. 2026, unless otherwise specified in the “[Notes on CAES1001 Academic Communication in English](#)”*; and **test result obtained after admission to the University will not be considered**) are exempted from the ACE requirement. To apply for exemption from the ACE requirement, students should complete the online application form at the Faculty website (<https://ug.hkubs.hku.hk/support-and-development/useful-info/downloadable-forms>) by the deadline.

- Non-local Putonghua/Mandarin-speaking candidates should complete a 6-credit Chinese Language Enhancement Programme course for non-local Putonghua/Mandarin-speaking students (*i.e. CUNDxxxx* course) in lieu of CBBA9003 Practical Chinese for BEcon/BEcon&Fin/BFin(AMPB)/BSc(QFin) Students.

Students who did not study Chinese language during their secondary education and have not reached the required proficiency level to take CBBA9003 should write to the Board of the Faculty to apply for exemption from the Chinese language enhancement requirement and take a course in either Chinese language* (“CHIN9501 Chinese as a Foreign Language I” or “CHIN9511 Cantonese as a Foreign Language I”) or Chinese culture (“CHIN9521 The Fundamentals of Chinese Characters” or “CHIN9522 Exploration of Major Cultural Themes across Chinese History”) offered by the Chinese Language Centre of the School of Chinese in lieu. To apply for exemption from the Chinese language enhancement requirement, students should complete the application form at the Faculty website (<https://ug.hkubs.hku.hk/support-and-development/useful-info/downloadable-forms>) and return it to the Faculty Office by the deadline.

**Note: Students taking a Chinese language course may be assigned to a higher-level course (CHIN9502-CHIN9508 or CHIN9512-CHIN9513) based on the results of a placement test.*

- (b) Common Core Courses (6 courses; 36 credits)

Students shall complete a total of 36 credits in the Common Core Curriculum, comprising at least 6 credits and not more than 12 credits from each Area of Inquiry (AoI) with not more than 24 credits being selected within one academic year except where candidates are required to make up for failed credits. Please refer to the Common Core website (<https://commoncore.hku.hk/>) for details.

- (c) Artificial Intelligence Literacy Courses (2 courses; 6 credits): (i) AILT1001 Artificial Intelligence Literacy I + (ii) AILTxxxx Artificial Intelligence Literacy II or other microcredential AI Literacy course

- Students are strongly advised to take AILT1001 either in Semester 1 or 2 of Year 1 as it is a prerequisite for taking the second Artificial Intelligence Literacy course required for graduation. Please refer to the AILT1001 website (<https://ailt.cds.hku.hk/>) for more information.
- The Faculty currently offers two 3-credit Artificial Intelligence Literacy II courses: AILT9021 AI and the Future Economy and AILT9022 AI-Powered Business Applications. While students may fulfil the requirement by completing any Artificial Intelligence Literacy II course, students are strongly encouraged to take either AILT9021 or AILT9022.

- (d) Other Non-credit Bearing Courses Required by the University (1 course; 0 credits): UGRE1001 Introduction to the Constitution, the Basic Law and the National Security Law

UGRE1001 Introduction to the Constitution, the Basic Law and the National Security Law is an online course which adopts a self-directed learning approach. Students have the flexibility to take the course in any semester throughout their period of study. Enrolment on the course is automatic. - FCC can only be double-counted across major-major, but not major-minor combination. Should the FCC constitute the requirements of a second major or a minor offered by the Faculty, students will be required to complete an equivalent number of credits of free electives (for major-major combination) or advanced level minor disciplinary electives (for major-minor combination) in lieu of the overlapped FCC.
- Double-counting is NOT allowed for courses other than the FCC. Students will be required to complete an equivalent number of credits of advanced level disciplinary electives under the major/minor concerned in lieu of the overlapped courses.
