SYLLABUSES FOR THE DEGREE OF BACHELOR OF ECONOMICS AND FINANCE [BECON&FIN]

These syllabuses apply to candidates admitted to the first year of study of the 4-year curriculum in the academic year 2025-26 and thereafter.

1. Candidates must enroll and attempt examination in not fewer than 240 credits of courses in accordance with the regulations and the syllabuses. In addition, the 240 credits of courses should be completed in the following manner:

UG 5 requirements [54 credits]

-	Languages*	12 credits
-	HKU Common Core Curriculum*	36 credits
-	Artificial Intelligence Literacy*	6 credits
-	Non-credit bearing courses as required by the	0 credits
	University*	

Major in Economics and Finance [96 credits]

-	Core courses	72 credits
-	Economics disciplinary electives	12 credits
-	Finance disciplinary electives	12 credits

Free Electives [90 credits] 90 credits

Total credits for degree programme 240 credits

- 2. To fulfill the graduation requirement of this degree as specified by the Board of the Faculty of Business and Economics in accordance with UG 5 of the Regulations for First Degree Curricula, candidates must satisfactorily complete the courses identified by an asterisk (*). Those courses include the following areas of study: English language enhancement (6 credits), Chinese language enhancement (6 credits), Common Core Curriculum (36 credits), artificial intelligence literacy (6 credits), non-credit bearing courses as required by the University, and a capstone experience.
- 3. Candidates must complete a total of 36 credits in the Common Core Curriculum, comprising at least 6 credits and not more than 12 credits from each Area of Inquiry with not more than 24 credits being selected within one academic year except where candidates are required to make up for failed credits.
- 4. The following courses are designated as Faculty Core courses: ACCT1101, ECON1210, FINA1310 and a statistics course, as prescribed in the syllabus. Candidates are not required to re-take Faculty Core courses where any of these courses form part of the requirements of a second major offered by the Faculty of Business of Economics, however, candidates must complete an equivalent number of credits of free electives in lieu of the Faculty Core Courses.
- 5. The courses listed in the syllabus will not necessarily be offered every year.
- 6. For courses offered by the Faculty of Business and Economics, the final examination is typically 2 hours in length. Final grading is normally determined by performance in the final examination (30-50%) and coursework assessment (50-70%), except for courses with a final project/final paper which are assessed by 100% coursework.
- 7. Candidates majoring in Economics and Finance are required to take not fewer than 60 credits of advanced level courses from those listed in the BEcon&Fin syllabus. 36 of the 60 credits are core courses inclusive of ECON2210, ECON2220, ECON2280, ECON4200 (capstone course), FINA2320 and FINA2322. The advanced level disciplinary electives in the BEcon&Fin curriculum are grouped into List A (economics disciplinary electives) and List B (finance disciplinary electives). Students must select 12 credits from List A and 12 credits from List B for the Economics and Finance major.
- 8. Candidates must take courses in the year of study indicated in the syllabus.

- 9. Candidates may select up to four courses offered under the syllabus for the Master of Economics (MEcon) degree as third or fourth year economics disciplinary electives in List A, subject to availability and the approval of the BEcon/BEcon&Fin Programme Director and the MEcon Programme Director. Each of these MEcon courses carries 6 credits, unless otherwise specified. Candidates should satisfy the requirements prescribed by the Faculty of Business and Economics.
- 10. Candidates should take note of any impermissible combinations of majors/minors listed in the document "Major/Minor Programmes offered by FBE" for the year concerned.
- 11. Candidates are not permitted to enroll in courses where significant portions of the course contents overlap with each other, or where the courses are mutually exclusive.
