Procedures on Freshmen Registration for Non-JUPAS (International, Mainland and Local) Students

Welcome to the HKU Business School! To make sure that you are well prepared for your new journey at our Faculty, the following are important events and registration procedures which you are strongly advised to complete. In particular, you are required to attend the University Registration and Induction Programmes during mid-August to early September 2026. It is important for you to attend all the scheduled activities and complete the required procedures so as not to affect your course selection and collection of Student Registration Card.

Important Note: Your registration with the University may only be considered probationary until all the required official documents are submitted and verified to the satisfaction of the University.

Online Master Registration

To be completed immediately after receiving the HKU portal account

You must complete the Master Registration online via the HKU Portal (<http://hkuportal.hku.hk> -> Student Information System (SIS) -> SIS Menu -> Self Service -> Master Registration). The login details will be sent to your contact email address as stated in the online admissions system. Please refer to the 'Guide to Online Master Registration' ([Download](#)). This process is very important and crucial for the production of your Student Registration Card, course selection and application for all University services/facilities.

****For non-local students and students using a visa to study in Hong Kong (e.g. student visa, IANG visa, dependent visa, full-time employment visa, visa for Quality Migrant Admission Scheme, and visa for Capital Investment Entrant Scheme, etc.), you should also upload your visa, landing slip, and input the visa expiry date via HKU Portal after completion of your online Master Registration. Please refer to '[Online Submission of Visa, Landing slip and Visa expiry date](#)' for detail.*

Application for New Student Registration Card

After you complete the Master Registration online, please go to HKU Portal (<http://hkuportal.hku.hk> -> Student Information System (SIS) -> SIS Menu -> Self Services -> Student Card Document Upload) to submit your photograph and supporting documents for the production of Student Registration Card. Please refer to the 'Guide to Online Application for Student Registration Card' ([Download](#)).

An email regarding the Collection of Student Registration Card will be sent to your HKU Portal email account from late August. Please come IN PERSON according to the specific date(s), time and venue for collection of your Student Registration Card. Please be reminded to bring along all documents mentioned in the email.
